## 🎯 **Records Officers Report 2013.**

Here we are again with another year over. I am pleased to see that our membership is now blossoming and as a non shooting member currently it is nice to see so many new faces as well as the old.

I would like to thank my ever helpful husband who liaises with you all in my absence and also spends time with me putting all of the information together.

I would like to apologise for the absence of the membership cards at this point in time but as soon as I get an up to date membership list I will process them and get them to you all soon as is possible.

Some of the table formats have changed this year to make them easier to interpret. Some of the club archers shoot more than one type of bow and I have included classifications for all types that have enough scores to gain a classification or a handicap.

If anybody at any point feels there is a discrepancy in the records please do not hesitate to come forward so that I am able to address these issues and make any necessary adjustments.

I would also like to urge all members to hand in scores on as regular a basis as possible so that all results produced are as accurate as possible and all members have an opportunity to compete for all records held. If I don't have the score I cannot award a record.

There are a couple of ways of getting these to me: You can email them on [bbparkinson@blueyonder.co.uk](mailto:bbparkinson@blueyonder.co.uk) or hand them to Andy at club to pass to me. We are also hoping to get a way of logging scores onto the website sometime this year. I shall also look at getting the information from this report onto the website.

I have included county records with our information again but it is also possible to download county records from the DCAS website. We will also look at getting this information onto the website.

If there is anything else club members would like me to do as part of my role as records officer please do not hesitate to contact me. I can also be contacted by telephone on 01752 297040.

We have awarded 24 handicap and classifications this year

The breakdown of classifications for this year are as follows

Outdoors:

- 0 Bowmen.
- 10 1<sup>st</sup> Class
- 1 2<sup>nd</sup> Class
- 1 3<sup>rd</sup> Class.

Indoors:

- 1 C Class.
- 12 D Class.
- 4 E Class.
- 1 F Class.

This year we have seen 20 club records that have been broken.

I would like to thank all members that have attended tournaments and handed in scores and congratulate all those who have received awards and achieved new records.
